Team Name: Black Squad

Genius innovation leaves behind a legacy...

PS Code: 117

Problem Statement:

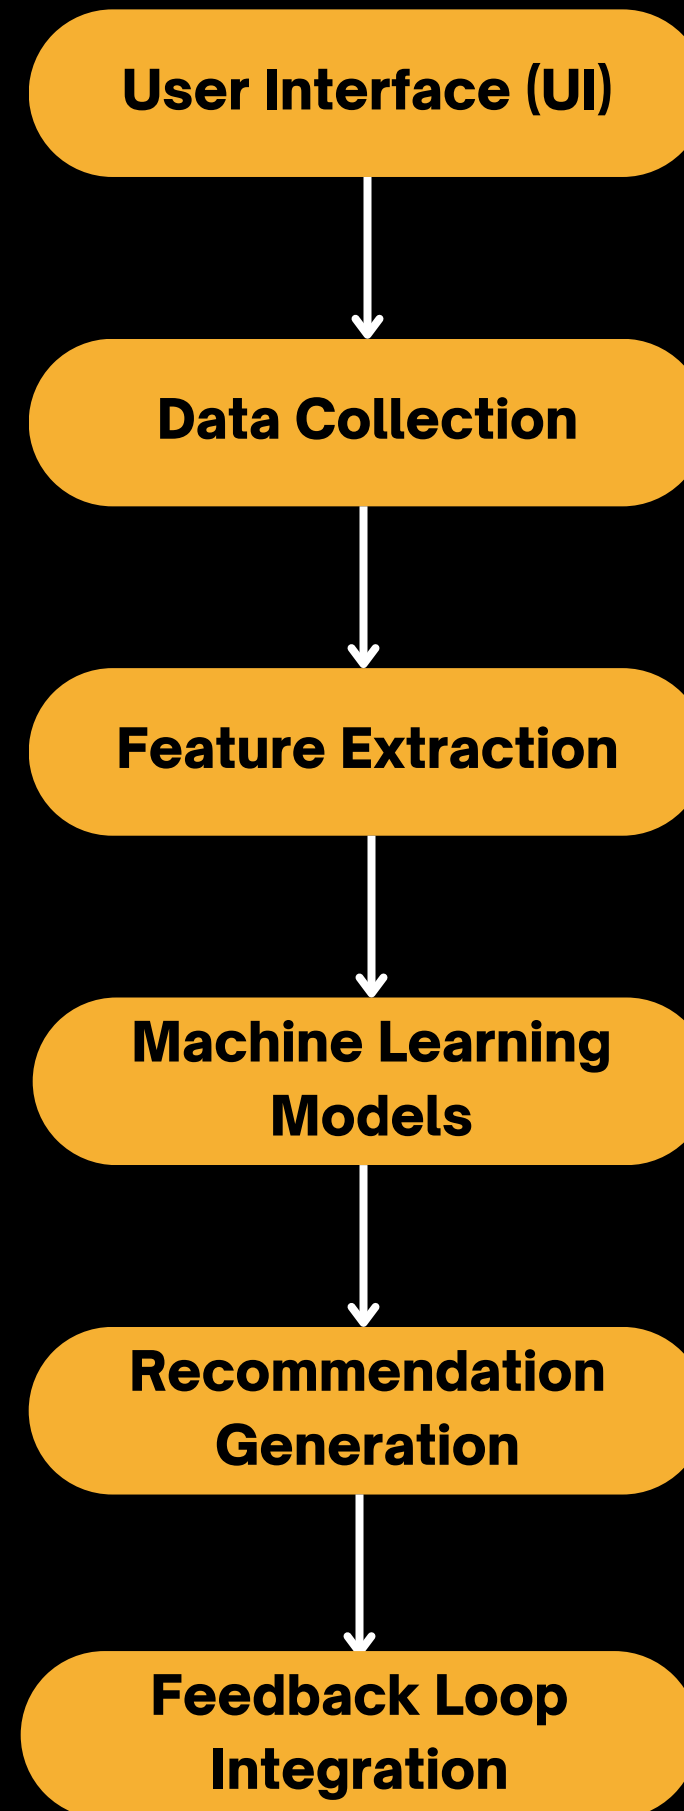

AI - Powered Recipe Recommender

Solution :

- **Our AI-powered recipe recommender system aims to simplify the process of discovering new recipes and inspire culinary exploration while catering to individual tastes, dietary needs, and cooking habits. The system leverages machine learning algorithms to analyze user input and recipe data, generating personalized recommendations that align with users' preferences.**

Flowchart:

Technology Stack :

- **pandas**
- **numpy**
- **spacy**
- **sklearn**

Team Member Details:

- LALITH KISHORE A J
- BHARATHI C
- ASHOK KUMAR M
- ABINESH P
